

## Exploration Project:

You will create a Google Slides Presentation for your explorer.

- The title of each slide should be the NAME OF THE EXPLORER.
- You will create THREE SLIDES:
  - *On the first: the brief biography*
  - *On the second: their motivations for exploration*
  - *On the third: the outcomes of their exploration*
  - **\*\*You should include the primary documents\*\***
- In this Google Slide Presentation, you will include all of the information listed below:

### **IF YOU GET AN EXPLORER**

#### **Slide 1: Brief Biography of your Explorer:**

- Name of Explorer
- Country from which they came
- What time frame they were alive in

#### **Slide 2: Motivations for exploration**

- What caused them to explore
- What was their motivation

#### **Slide 3: Outcomes of their exploration**

- What changed because of their exploration?
- What if they had NEVER explored?

#### **Throughout all of your slides: Three primary sources that are affiliated with them**

- 2 photos
  - 1 'other' (a document, a map, etc.)
  - MUST BE PRIMARY
- 

### **IF YOU GET: Spanish, Portuguese or British Exploration**

#### **Slide 1: Brief Description of the country in the 1500s**

- Economically, Governmentally, etc...

#### **Slide 2: What motivated this country to begin exploring**

- Just saying "Gold, God, Glory" won't work.

#### **Slide 3: Outcomes or Impacts of their exploration on the world**

- How did the world change because of their exploration.

#### **Throughout all of the slides: Three primary sources**

- 2 photos
- 1 other (a document, a map, etc.)
- MUST BE PRIMARY
